2017: ANOTHER SUCCESSFUL YEAR

Wow! 20 great years of success, friendships, excellent staff and families, and we are still going strong here in Colorado as we continue to grow our business! 2017 went very well for us with over 200 animals harvested including elk, deer, antelope, and turkey. We have received many compliments on our new logo from both our long time clients as well as those who have recently joined our list of happy hunters.

We are continuing to acquire more hunting leases throughout Colorado and Kansas in order to offer "Quality Big Game Hunts" for high standard clients. We still have a limited amount of openings for 2018 at our five different operations in Colorado, and we are currently booking hunts through 2020. So, for those of you who are still looking for 2018 hunts, give us a call!

Elk on the Range

Prior to European settlement, more than 10 million elk roamed nearly all of the United States and parts of Canada. Today, about one million elk live in the western United States, Wisconsin, Michigan, Minnesota, Missouri, Pennsylvania, Arkansas, Kentucky, Tennessee, Virginia and North Carolina, and from Ontario west in Canada.

elk roast, Lipton Onion soup mix, onion, bell pepper, mushrooms, olive oil, hoagie rolls, choice of cheese.

1. Place elk roast in a crock pot with one cup of water over the roast.
2. Sprinkle with Lipton Onion Soup Mix.
3. Cook on low approximately 6 hours.
4. Remove from crock pot, allow to cool and then shred into pieces.

We still have a limited amount of openings for spring turkey both in Colorado and Kansas for 2018.

Our five different operations in Colorado provide opportunities for elk, deer, antelope, and turkey.

We are currently booking hunts through 2020, so if you are still looking for a hunt, give us a call!

Kansas Grows!

Our expansion into Unit #14 in Geary County, Kansas in 2017 proved to be a success!

This lease proved to be a prime hunting property with Trophy 150+ class Whitetail bucks as well as numerous long beards. While much of Kansas can be difficult to draw for deer, this unit offers great odds in drawing the deer license/tag. This is a 2 bird unit for spring turkey hunts, and these license/tags are available over the counter. We are continuing to build relationships with our adjoining neighbors and farmers in an effort to grow this operation. We are offering both archery and rifle deer hunts for 2018.
